

Extraordinary taste and fantastic functional performance for professionals

A 100% farmer-owned, farmer controlled Irish dairy co-operative with a proud heritage of excellence in dairy farming

For more than **100 years** we have been producing **high-quality, wholesome, nutritious milk** on the Island of Ireland.

Exporting to over 80 countries, we **delight millions** of people globally everyday.

Here, a mild climate, plentiful rain, and rich soil combine with our **farmers' devotion and expertise** to create high quality milk. The foundation of all our products.

Our **expert chefs** work directly with customers to share our **dairy expertise** and develop delicious recipes.

Our wholesome milk is made from contented cows grazing freely on **lush green pastures** of our 3,200 family farms.

Our products are carefully designed to deliver **extraordinary taste and fantastic functional performance** for our valued customers.

Annually we process over **2 bn litres of milk** which is collected from our farms within a **two hour radius of our factories**.

We process our milk into high quality, **delicious, convenient products** in modern processing sites, operating to strict industry standards.
